## Timetable notes

1. A-level and AS exams are timetabled in common exam slots agreed by all exam boards under the Joint Council for Qualifications (JCQ).
2. Each exam must be taken on the day, date and at the time shown on the timetable. The published starting time of all exams is either 9.00am or 1.30pm. Students taking more than one exam in a session should take these consecutively. At the discretion of the school/college a supervised break may be given between the exams taken consecutively.
3. Schools/colleges may start an exam up to 30 minutes before the published starting time without notifying AQA.
4. Schools/colleges may delay the starting time of an exam by up to 30 minutes later than the published starting time without notifying AQA.
5. For information on any other timetable variations, please refer to the [JCQ Instructions for conducting examinations](#) or contact [Customer services](#).
6. For examinations that last less than one hour, candidates must be supervised and question papers must be kept in the centre's secure storage facility until the published finishing time of the examination.
7. Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Schools/colleges should check the specification for information on the material required by students.
8. Any reading time allowed for an exam is included in the time specified.
9. Schools/colleges must arrange practical and oral units according to the procedures given on the relevant [subject](#) page of our website. Such units are shown only on the 'Subject and product list' pages of this document.

18. Students taking AS and A-level Mathematics, 7356 and 7357 require the booklet "*Formulae for A-level Mathematics*" but may prefer to use "*Formulae and statistical tables for A-level Mathematics and A-level Further Mathematics*" if they are also taking Further Mathematics. Students must use clean copies provided by AQA and not versions printed from the website. Students must not bring their own annotated copies into the exam room. Schools/colleges should check the specification for information on the material required by students in the exam. Stationery can be ordered by exams officers prior to the exam.
19. The externally set assignment for A-level Art and Design will be dispatched to schools/colleges for issue on or after 01 February 2025.

20. The awarding bodies have designated Wednesday 25 June 2025 as the 'contingency day' for examinations. The afternoon of Wednesday 11 June has been designated as the 'contingency afternoon' for examinations. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland – [gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland](https://gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland)

The designation of 'contingency days' within the common examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations.

Centres must therefore remind candidates that they must remain available until Wednesday 25 June 2025 should an awarding body need to invoke its contingency plan.

21. Results will be dispatched to be received in schools/colleges as follows:

Results publication	Date
Electronically to schools/colleges	Wednesday 13 August 2025
Available to students	Thursday 14 August 2025
